

WELCOME TO OUR 12th WALKING FESTIVAL "People & Places"

Set in the beautiful Bristol Avon Valley, in the SE corner of the Cotswolds Area Of Outstanding Natural Beauty, our wonderfully varied countryside offers countless opportunities for walking, with super views, great scenery, loads of history and many refreshment stops.

We are easily accessible with good rail and bus connections from Bath, Bristol, Salisbury, South Wales & London.

Two long distance footpaths pass right through the town - The Macmillan Way and the Kennet & Avon Canal Towpath.

You can explore the whole area using the ever popular Bradford on Avon Walking Wheel. Maps of The Wheel are available in town - at Explore BoA Tourist Information, Ex Libris bookshop in The Shambles & at the Town Library. They will also be on sale from the registration tent during the Festival.
